Objective: To prepare for a public speaking presentation of a maximum of 10/15 minutes to be presented to the group during the afternoon of the 8th August at the Seminary. Feedback will be given by Kenny and by the other groups through peer assessment (rubric).

Task: You have 4 hours to explore Alberobello and to brainstorm what you will prepare for the presentation. Take video footage or photos or conduct interviews/role play according to the theme that has been assigned to your group and use the mind map compiled in Malta which is also in the envelope. Kindly handle this with care so it remains whole. Time to explore Alberobello and do some shopping while preparing for the presentation. :)

Tomorrow morning you will have 2 hours (after the welcome activities) to work together on a laptop and plan all the information together and prepare your presentation based on the information and resources you have gathered from Alberobello. You can use a laptop for your presentation. Speakers and projector will be available on the day. Creativity matters. We will vote too on the rubrik!
